Fastest Growing Midscale Extended Stay Brand

Over 50 locations open since launching in 2021.

Efficient New Construction Prototype

Designed to command a midscale ADR with an economy operating model.

An Unrivaled Commercial Engine

Industry-leading revenue contribution from most profitable central proprietary channels.

Streamlined Operating Model

An economical labor approach that minimizes overhead to drive stronger returns.

“

Over the past six years, we have experienced great success with our Extended Stay America hotels, maintaining high occupancies, strong profit margins and consistent performance. Their national sales accounts along with their distribution helps drive business to our hotels as a franchisee. ESA's efficient operating model, geared toward true extended stay business, maximizes flow through to the bottom line.

Mason Miller, Managing Director
Provident Hospitality

”

See Item 19 of the 2026 ESA Premier Suites FDD for additional information. A new franchisee's results may differ from these results. 1. This represents a combined total of property direct, call center and esa.com reservations. 2. 22 or 45% of the Brand Hotels in the 2025 survey had an ADR amount at or above this amount. 3. This 2025 length of stay information represents the combined percentages of consumed room nights at two benchmarked intervals.

Why play follow the leader when you can be the leader.

We've spent more than 30 years perfecting the extended stay business model, running our own properties with precision and earning the loyalty of long-term guests. Leverage our strong brand equity and proven business model as a foundation for strong returns. Extended stay isn't part of what we do, it's ALL we do.
