Cost efficiencies

Three different site plans available, providing greater flexibility with land measurement sizes and guest room count to meet market demand.

Flexible floor plan

Capacity for up to 65 Double Queen rooms.

Specialized support from construction professionals

Leverage our experienced team throughout the project lifecycle for guidance on navigating the general contractor landscape, scheduling and building development.

¹ The chart shows the average performance of the Brand Hotels (49 hotels) for the year ended December 31, 2025. "Occupancy" means the total number of rooms sold in a given period divided by the total number of rooms available during that period. "ADR" means hotel room revenues divided by total number of rooms sold in a given period. "RevPAR" means the product of average daily room rate charged times the average daily occupancy achieved for a hotel or group of hotels in a given period. RevPAR does not include ancillary revenues, such as food and beverage revenues, or parking, pet, telephone or other guest service revenues. 31 or 63% of the Brand Hotels in the 2025 performance survey described above had an Occupancy percentage at or above the occupancy percentage described above. 22 or 45% of the Brand Hotels in the 2025 performance survey described above had an ADR amount at or above the ADR amount described above. 22 or 45% of the Brand Hotels in the 2025 performance survey described above had a RevPAR amount at or above the RevPAR amount described above. A new franchisee's results may differ from these results. See Table 19-3 in the 2026 Extended Stay America Premier Suites Franchise Disclosure Document ("FDD") for additional information.

² This 2025 length of stay information represents the combined percentages of consumed room nights at three benchmarked intervals. See Table 19-9 in the 2026 Extended Stay America Premier Suites FDD for additional information. A new franchisee's results may differ from these results.

³ This 2025 contribution percentage represents a combined total of property direct, call center and esa.com reservations. A new franchisee's results may differ from these results. See Table 19-6 in the 2026 Extended Stay America Premier Suites FDD for additional information.

⁴ Brand Hotels receive reservations from the following sources (collectively, "Reservation Channels"): (i) At our properties ("Property Direct"); (ii) our toll-free central reservations office ("Call Center"); (iii) the ESA Website ("esa.com"); (iv) OTAs; (v) opaque hotel booking agencies that we have agreements with such as Hotwire and Priceline ("Opaque"); and (vi) global distribution systems that permit traditional travel agencies, as well as many third-party online travel agencies, to reserve hotel rooms ("GDS"). Reservation Channels do not include group business and room nights booked directly at the property or through our regional or national sales offices. The chart shows the percentage of consumed room nights booked at the Owned Hotels through each of the Reservation Channels for the 2025 calendar year. A new franchisee's results may differ from these results. See Table 19-6 in the 2026 Extended Stay America Premier Suites FDD for additional information.

⁵ This 2025 B2B revenue percentage represents the average percentage of Brand Hotel B2B revenue derived from Length of Stays of 7 nights and greater for the 2025 calendar year. A new franchisee's results may differ from these results. See Table 19-12 in the 2026 Extended Stay America Premier Suites FDD for additional information.
